Unique full floor apartment with separate office/study and large outdoor area available for late October move in. Be sure to check out the video tour to get a feel for the layout. The interior has been newly rehabbed bringing the original floors back to life, refreshing the kitchen, adding a brand new bathroom with clawfoot tub and hexagonal tile floor, and more! The main apartment has two large rooms which could both serve as the bedroom plus a large kitchen and then a separate private room in the front of the building that could easily serve as a second bedroom, work from home space, music room or art studio - lots of possibilities. Most of the utilities are included too - tenants just pay electric. Rounding out the space is direct access to the basement for plenty of storage and a large shaded yard ready for your green thumb.
